WHO ARE IN TOTO ED?

In Toto Ed: a supportive and inclusive learning environment. An alternative to mainstream schools and colleges that builds a bespoke learning pathway around your needs and interests.

In Toto Ed is for young people who may need that little bit of extra support with their education, who perhaps haven't been able to thrive in mainstream education.

Whether they have SEN, ADHD, ASD, dyslexia, have emotional support needs or suffer from anxiety, mental health issues, physical disabilities – or need little to no support at all – we will create a positive, encouraging and safe environment for them to learn.

A TAILORED PATHWAY

We put together bespoke education plans for our young people and deliver lessons to very small classes, as well as on a 1-to-1 basis, depending on their needs.

We like to meet a young person when they apply or are referred to us, and because everyone is so different and have such different needs, we speak with that young person and their parents or carers to work out what they want to achieve, and the best way for them to achieve it.

Our teachers are highly qualified and excel at what they do; passionate teachers who are dedicated to making a difference in a young person's life.

OUR UNIQUE OFFERING

Unlike our mainstream counterparts, at In Toto Ed we teach in small groups with experienced, supportive staff who are trained to understand the challenges our students can face.

Most mainstream further education institutions deliver fixed courses via fixed schedules, to classes of fixed sizes. We provide the flexibility and focus on the individual that is often essential to our young people's wellbeing and ability to thrive.

There are considerable additional benefits that are available to staff as an In Toto Ed employee. The main benefits are listed below:

- Unlimited access to an award winning CPD platform
- Term time only (39 weeks including 5 inset days)
- Fully funded Level 3 Paediatric First Aid Qualification for all staff
- Fully funded enhanced DBS
- Accredited support through QTLS
- Training grants for qualifications, including NPQ, NPQSL and NASENCO
- Access to extensive professional development opportunities
- Cycle to work scheme
- Free onsite parking
- Health Assured EAP programme which includes varied types of counselling, 24/7, 365 confidential helpline, mental health crisis phone support
- Access to my healthy advantage app which includes: wellness plans, rewards including discounts with a variety of retailers including travel agents and gyms
- Bonus for staff with 100% attendance to work (per academic year)
- Small class groups
- Employee recognition and service awards
- Casual Dress Code
- Company pension
- Free Specsavers eye test
- Work Laptop or MacBook provided
- Free tea and coffee
- Bonus for referring a friend to In Toto Ed

INSPIRATIONAL TEACHING

At In Toto Ed we are privileged to have an amazing team of highly-qualified, diversely-experienced, dedicated and caring staff across teaching, mentoring and operations.

With over a lifetime's collective experience between us all in the education and SEN sectors, we strive to deliver a truly bespoke and unique alternative to mainstream school and college.

We are always on the lookout for talented staff; our current vacancies are listed on our [website](#), but even if you do not see the position for you, please do get in touch at hr@in-toto-ed.com - we would love to hear from you.

CONVENIENT LOCATIONS

We have centres in Cambridge, Peterborough and London, all of which are close to major transport links.

Our Cambridge centre is based in a quiet and rural setting, just to the north of Cambridge. Facilities include a Mac suite, music studio, science lab, gym, cookery room, and life skills centre.

Due to the rural location, we also have a large amount of open space.

Our Peterborough centre is based at the Fenlake Business Centre, within walking distance of the city. We have a number of classroom spaces, our own construction workshops, social area, music studio, art studio and cookery room, sensory room, gym, art room, and science lab.

There is also have access to a large outside space for football and basketball.

Our London centre and Head Office is situated in leafy Blackheath, in South East London.

In Blackheath we have a suite of Apple computers, music studio, gym, beauty room, cookery room, art room, science lab, and a range of flexible classroom spaces to support our diverse curriculum.
